HELPING THE LIVING.

Efforts Being Made by the State Board of Health

TO PREVENT EPIDEMICS.

Danger Lurking in the Stagnant Waters—Pittsburg Unnecessarily Alarmed—Workingmen Dissatisfied With Their Sleeping Quarters — Contributions Pouring In—Over $25,000 in Cash Received and Many Thousands More Promised—Woodville Wiped Out of Existence.

[FROM A STAFF CORRESPONDENT.]

JOHNSTOWN, June 6.—The order in Johnstown to-day is most excellent. The work is progressing slowly, because there is some dissatisfaction among the workmen. The latter demand better places to sleep, but they have enough to eat. Mr. Henry W. Hartman, of Beaver Falls, was doing his best this morning to secure better accommodations for the men. Last night over 200 men hadn't any shelter and laid down in the rain. Mr. Hartman himself went to bed wet and got up this morning feeling pretty tough. There are not enough tents in the town yet to shelter everybody.

A gang of workmen from Blair county walked for miles over the mountains, and when they got here they were in a pretty turbulent and mutinous humor. Food was given them at once, when they were better pleased. Men cannot work without food and places to sleep. The volunteers are played out, and many have gone home. The town has been put under close quarantine. The Pennsylvania road has shut down carrying passengers into the town, except those who can show proper credentials. The biggest crowds have been pouring up through the valley on the Baltimore and Ohio. General Hastings ordered Company F to Somerset to stop the people there, and a citizens' committee was organized and went to Somerset to remonstrate with the sightseers.

Sanitary Measures Adopted.

This morning Dr. C. G. Groff, Professor of Natural History in Bucknell University and a member of the State Board of Health, assumed charge of the sanitary department. The State Board will co-operate with the Pennsylvania road in removing the debris at the bridge. The doctor hopes to have 1,000 men working at this point within the next 24 hours. It came to light this morning that the workmen were depositing filth in the rivers. State Inspector Sibbert started out to stop it, and have the proper kind of pits dug. During the day the embalming fluids at all the morgues gave out, and the work had to close until another supply could be received.

Dr. Groff assured me that there is no danger of a pestilence at Pittsburg. The people of the two cities have been needlessly frightened. The doctor states that it is an easy matter to scare people into sickness, and he wishes Pittsburgers to feel that they are safe. Five cases of diphtheria were reported in the city this morning, but the disease is not spreading. Strenuous efforts are being made to confine the dangerous disease that followed in the track of the flood. The children at Conemaugh and here are laid up, but none have died, and there is no immediate danger. The disease is quite ordinary. The sanitary corps are making a house to house inspection to-day.

Danger of an Epidemic.

Two gangs are working in Johnstown, and there are corps in all the little towns and boroughs in the neighborhood. These corps are taking a list of the sick, notes on the sanitary condition of the places and giving sanitary instructions. They will report to Dr. Groff this evening. Rev. Mr. Pershing, of Conemaugh, told me that the condition of the town is quite good at present, but the town is so low and so many swamps have been formed on the bottoms that there is great danger of disease breaking out, unless something is done to drain the stagnant water.

The people at Woodvale are crowded together in close quarters, but the houses are on high ground, and Mr. Pershing thinks there is less cause for alarm on these hillsides than anywhere else. The town itself is a blank. The valley is as level as a floor. Bodies are still being taken out. Five bodies were recovered to-day at Grand View Cemetery; 14 additional ones were placed in the Fourth ward morgue, and nine others in the Presbyterian Church. All the unknown dead are put in the Peelerville schoolhouse. The body of Mrs. Elizabeth Stevison, of Reading, was found and identified at Nineveh last night. She was lost on the day express, and was returning from a trip through California.

The Finance Committee,

of which J. D. Roberts is Chairman, meets every day. At the meeting this afternoon the advisability of paying the laborers on Saturday was discussed. The committee thought the plan was not a good one. Money cannot be used in the town anyhow, and the men do not need it. They recommend that the men be paid in another week. The matter was finally referred to General Manager J. B. Scott, who will decide the question at the meeting tomorrow.

The following is a partial list of contributions received to-day: New York *Mail and Express*, $10,000; New York *Herald*, $5,000; Bethlehem, $5,000; Thomas Cornell, $1,000; Louisville, $3,000; Utica, $5,000; Allentown, $2,000; Judge Pershing, Pottsville, $1,200. Up to to-day $25,796 16 has been received in actual cash. The Finance Committee have $57,115 45 promised in addition to the amount actually received. Mr. J. D. Roberts states that Philadelphia has $300,000 ready to be disposed of; the Governor has reported $100,000 at his disposal, and Pittsburg has about $300,000. Nearly every town and city in the country will contribute its quota.

The contributions are offered from Maine to California and between the two poles in the American continent. Mr. Roberts is asking the cities to send their money by express direct to Johnstown. Many business men are telegraphing the committee to draw on them for various amounts, but in the present unhappy condition of affairs this cannot be done.

ISRAEL.

THEY ARE EASY TO FIND.

The Discovery of Bodies Grown with Each New Day's Developements.

[FROM A STAFF CORRESPONDENT.]

JOHNSTOWN, June 6.—While in this city the recovery of dead bodies is still going on as fast as ever (in fact the average number of corpses seems to increase every day) in the places lower down the Conemaugh the climax appears to have been reached.

At Stang Hollow only three bodies were found among the debris, but 135 others were buried on the hill above the town. But the work is still going on, and the rubbish is rapidly being cleared away.

At Morrelville two injured persons were put on the train, to be transported to the West Penn Hospital in Pittsburg. HEINRICHS.

MAIL FACILITIES.

The Washington Authorities Are Arranging for a New Route.

WASHINGTON, June 6.—J. T. L. Bell, General Superintendent of the Railway Mail Service, said this morning that the accumulation of matter occasioned by the flood had all been disposed of, and that while delay in the forwarding of mail matter along some of the lines was inevitable, the interruption had ended. He was advised by Mr. Frank Thomson, First Vice President of the Pennsylvania road, that by to-morrow morning it was hoped that service could be resumed over that system, using the Northern Central from Harrisburg to Williamsport, the Philadelphia and Erie to Drittwood, and the Allegheny Valley into Pittsburg.

The only breaks in this route are around Williamsport, and Mr. Thomson expressed confidence in his ability to close them by this evening. Between Johnstown and Blairsville Junction, on the main line, the road is in such condition that no definite announcement can now be made of the time when it will be in running order. Local mails in that vicinity are being transported by wagons and horses.

Military From Baltimore.

BALTIMORE, June 6.—Captain W. G. Forster, Inspector of Rifle Practice in the Fifth Regiment, has organized a relief corps to go to Johnstown and aid in the work of clearing up the debris and looking for the dead.

The Germans Will Assist.

BERLIN, June 6.—The *North German Gazette*, speaking of the Johnstown calamity, says: The Americans are always charitable. The condition of the sufferers by the Johnstown floods demands German assistance.

ANOTHER STRICKEN SPOT.

The Crescent Nail Works, on the Northern Central, Washed Out.

WILLIAMSPORT, June 6.—Word has been received from the Crescent Nail Works, on the Northern Central Railway, that the place has been nearly all washed away. Many of the houses and a part of the nail works are gone. The population took refuge in a church on the side hill, and are left entirely destitute. A few sacks of flour which B. F. Carter and a few others had were distributed, and some has since been carried in over the mountain. Most of the men of the town have gone to work along the railroad helping in repairing it, but their families are left staying wherever they can find shelter. About 60 people are in destitution.

THE FIRST TO REBUILD.

A Main Street Merchant Takes Hold With Faith in the Future.

[FROM A STAFF CORRESPONDENT.]

JOHNSTOWN, June 6.—Mr. F. Clark, who kept a wholesale produce and commission store on Main street, is the first man to begin erecting his store again. A number of carpenters are engaged to-day putting up a large frame building for the purpose of storing the stock that was saved by Mr. Clark from the awful catastrophe. HEINRICHS.

Some Other Day.

The prodigal of health desires
To pause, sometimes in distance;
And he succeeds, but he requires
The coroner's assistance.

But who wants to mend matters in that way?

Drs. Starkey & Palen's office records show over 45,000 different cases in which their Compound Oxygen Treatment has been used by physicians in their practice and by invalids independently, to re-arouse nature into activity.

Here are a few of those cured of desperate lung trouble by its use:

THOS. J. BARBOUR, Dobbs Ferry, N. Y., August 17, 1888.
MRS. E. N. HUNT, New Rochelle, N. Y., October 6, 1888.
ELLEN ROGERS, 212 Monument street, Baltimore, Maryland.
MRS. R. L. METCALF, Greenfield, Ill.
WALTER E. GLAZIER, Warsaw, N. Y.
MRS. J. ELLEN PARKS, Woodruff, S. C.
O. H. DOWNEY, Churubusco, Ind.
MRS. MARTIN DUBOYCE, West Bolton, Canada.

And thousands of others in all parts of the country.

You may know whom they have cured by sending to Drs. Starkey and Palen for their brochure of 200 pages, it will be forwarded free of charge to any one addressing DRS. STARKEY & PALEN, No. 1529 Arch street, Philadelphia, Pa.

A Word to the Thinker.

If you are young, vigorous, full of life and health, you require no stimulant, but unfortunately we are not all so; then think, if depressed in spirits, if lack of ambition, if weak from disease, if lung trouble, if no appetite—what is the best to use! Why, ask the hospitals, ask the faculty and they will all answer Max Klein's "Silver Age" rye is the best stimulant in the world and sold everywhere at $1 50 per full quart. He will also forward you six quarts of the best six-year-old Guckenheimer, Finch, Gibson or Overholt for $5 or $1 per single quart. You can rely upon any article advertised by Max Klein, 82 Federal street, Allegheny. Send for price list. We ship goods neatly packed anywhere. MWF

Y. oct-9-16-MWFSU

NEW ADVERTISEMENTS.

Catarrh to Consumption.

Catarrh in its destructive force stands next to and undoubtedly leads on to consumption. It is therefore singular that those afflicted with this fearful disease should not make it the object of their lives to rid themselves of it. Deceptive remedies concocted by ignorant pretenders to medical knowledge have weakened the confidence of the great majority of sufferers in all advertised remedies. They become resigned to a life of misery rather than torture themselves with doubtful palliatives.

But this will never do. Catarrh must be met at every stage and combated with all our might. In many cases the disease has assumed dangerous symptoms. The bones and cartilage of the nose, the organs of hearing, of seeing and of tasting so affected as to be useless, the uvula so elongated, the throat so inflamed and irritated as to produce a constant and distressing cough.

SANFORD'S RADICAL CURE meets every phase of catarrh, from a simple head cold to the most loathsome and destructive stages. It is local and constitutional. Instant in relieving, permanent in curing, safe, economical and never-failing.

Each package contains one bottle of the RADICAL CURE, one box of the CATARRHAL SOLVENT and an IMPROVED INHALER, with treatise; price, $1.

POTTER DRUG & CHEMICAL CORPORATION, BOSTON.

Old Folks' Pains.

Full of comfort for all pains, inflammation and weakness of the aged is the Cuticura Anti-Pain Plaster, the first and only pain-killing Strengthening Plaster. New, instantaneous and infallible. Vastly superior to all other remedies and appliances for relieving pain and strengthening the muscles. Feels good from the moment it is applied. At all druggists, 25 cents; five for $1; or, postage free, of POTTER DRUG AND CHEMICAL CORPORATION, Boston, Mass. je3-MF

A LADY'S SUFFERINGS

From a Polypus Tumor.

Mrs. Carrie A. Barker, residing at No. 16 Pine alley, Allegheny, has experienced untold suffering for two years, from a tumor, or polypus, located in her nose. It gradually increased in size until it almost entirely filled the cavity of the nose. On account of the irritated stuffed up condition, rendering it almost impossible for her to breathe through her mouth, she could not sleep nights, neither could she get any rest during the day. Her eyes became very weak, and she suffered great pain about her eyes and head. While speaking of the matter one day, a kind friend advised her to call upon the physicians of the Polypathic Medical and Surgical Institute, who make a specialty of her disease. She did so and her own words will best express the result: "This is to certify that the polypus that has caused me so much suffering for the past two years has been successfully removed by the physicians of the Polypathic Surgical Institute, 420 Penn avenue, I hereby sign my name.

"CARRIE A. BARKER."

They also treat successfully all forms of skin and blood diseases.

They give special attention to diseases of the kidneys and bladder.

All suffering from kidney or urinary diseases are cordially invited to call and consult these specialists, and bring a specimen of urine with them, which will be given a free microscopical and chemical analysis.

The doctors also treat successfully all forms of skin and blood diseases, clubfoot, tumors, hernia or rupture, ulcers, varicose veins, hemorrhoids or piles, hare lip, and other deformities. Office hours, 10 to 11:30 A. M., 1 to 4 and 6 to 8 P. M. Sundays, 1 to 4 P. M. Consultation free. Treatment also by correspondence. je6-D

CURED OF DYSPEPSIA AND CATARRH.

What hundreds of people say must be true, and now Miss Mada Fritsch wishes to tell what has been done for her. Her stomach had caused her untold suffering and pain for years, her appetite was poor, and she experienced such a burning and distressed feeling in her stomach. Although she tried to be careful of what kinds of food she ate, yet nothing would remain on her stomach, for she would vomit up her food regularly within half an hour after eating. The catarrhal secretion that formed in her head caused much pain over her eyes, and she was almost constantly trying to raise the tough, tenacious mucus that kept dropping from her head into her throat. Her bowels were costive, and she was very nervous. She began treatment with the physicians of the Catarrh and Dyspepsia Institute at 323 Penn avenue on March 11, and on May 15 declared herself cured. She says: "I wish to state to the public and my many friends that I have been cured of this dreadful disease, dyspepsia, and gladly recommend these physicians to others suffering from these diseases. I hereby sign my name.

"MADA FRITSCH, Economy, Pa."

Catarrh is not only the cause of nine-tenths of the consumption of this climate, but also of deafness, loss of memory, confusion of thought and loss of taste and smell. Sometimes the disease ulcerates into the bones of the head or nose, causing them to drop out. Frequently all of the bones of the nose become removed as the result of ulcerative catarrh. While catarrh has been said by many people, and even physicians, to be incurable, there is no disease that the physicians of the Catarrh and Dyspepsia Institute, at No. 323 Penn avenue, can cure easier, as their hundreds of testimonials already published and on file prove.

Mrs. Dr. Crossley, one of the Consulting Physicians at the Catarrh and Dyspepsia Institute, No. 323 Penn avenue, will be pleased to talk with any ladies suffering with diseases peculiar to their sex. Remember, consultation and advice is free to all. Office hours, 10 A. M. to 4 P. M., and 6 to 8 P. M. Sundays, 12 to 4 P. M. je6

A. of R. R. R. P.

Association of Regular Registered Resident Physicians, No. 720 Penn avenue.

Dr. Orr invites the friends of the hundreds of patients he has cured of catarrh and dyspepsia during the last year to call and allow him and his associate physicians to prove that they are what they claim to be, regular registered resident physicians, who are competent to do all they claim, and that they are not travelers who stop in our city for a few weeks or months.

This association is founded for the protection of those who are being deceived by spurious institutes and high-sounding, but hollow titles, all of which is no proof of ability or legality.

We invite all persons suffering from chronic diseases, medical or surgical, to call for consultation, free, no matter if you have been pronounced incurable by some traveling doctor. We do not turn away all persons not easily cured.

Office hours—10 to 11:30 A. M., 2 to 5 and 7 to 8 P. M. A. of R. R. R. P.

WHICH
RUBEN
Has introduced this spring have proven a great success.

Side view of New Derby.

$1 50, $1 90, $2 20, $2 40, $2 90

There is always some risk of failure in offering new shades, as the prejudice of the public to anything not conventional is quite deep rooted. But, thanks to our good judgment, we have been remarkably successful with the above stylish colors. And justly so; for they are not loud, nor yet insipid, but varying from the popular golden brown to the handsome tan color. You have three advantages in buying our new Summer Derby. Firstly, they will not soil; secondly, they match the prevailing fashion of clothing to a nicety, and thirdly, they can be worn until late in the fall. You need a hat, therefore, make no mistake, but come direct to

NEW ADVERTISEMENTS.

DR. WOODS, SPECIALIST IN THE CURE OF CHRONIC DISEASES.

WHY HE ADVERTISES.

What the late Henry Ward Beecher said about newspapers and doctors: "I am glad that the doctor cured him. I am glad the doctor put it into the paper that he cured him, and if any doctor is certain that he can cure such diseases and does not put it into the papers, I am very sorry. What a pity it would have been had this doctor come to town, with his wealth of science and experience, and gone away leaving him uncured! What a pity it would have been if he had been so prejudiced against advertising as to read the responsible certificates of the doctor and give him the go-by as a quack! What are the newspapers for if not to circulate valuable information? What more valuable information can a newspaper give than to tell a sick man where he can be cured? If a man has devoted his life to the study of a special class of diseases the necessity of saying so becomes all the more pressing. His duty to advertise becomes imperious."

Many well-known citizens of this and other cities testify to Dr. Woods' genius and remarkable success. Men and women whose lives had been for years miserable from disease that was pronounced incurable have been restored to health by Dr. Woods. So numerous and so trustworthy are his references and indorsements, so remarkable and permanent are the cures he has effected by his superior skill and ability, and so continuous his success that he stands prominently forth as a physician who may be consulted with the utmost confidence that his treatment will cure even the most desperate cases.

Dr. Woods advises with all who call free of charge. Examinations are also free to those who desire treatment. Cases which require medicine only are treated successfully by correspondence. Send 4 cents in stamps for question list. All communications sacredly confidential. All medicines furnished (without extra charge), thus insuring their being genuine and properly prepared.

DR. R. A. WOODS, HOTEL ALBEMARLE, PENN AVENUE AND SIXTH STREET, PITTSBURG, PA.

Office hours, 10 A. M. to 12 M., 2 to 5 and 7 to 8 P. M. je5

NEW ADVERTISEMENTS.

THE .·. COLD .·. SPRING
—HAS—
WRECKED PRICES
—AT—
KAUFMANNS'

The anomalously cold weather, interspersed with heavy rains, during the past six weeks have had a most demoralizing effect on business in general, and the clothing business especially. True, we have been busy ever since the opening of the spring season, but, alas! the demand was principally for dark and lower priced goods, while our fine, tailor-made and light-colored Dress Suits were entirely neglected. What are we going to do about it? Just this: We are not the people to wait for sunshine and roses. If the weather won't move these fine suits, our prices will. To suit our action to the word we have just placed on sale

3,500 MEN'S EXTRA FINE TAILOR-MADE
IMPORTED DRESS SUITS,
—AT—
$15 F
