HISTORIC AMERICAN BUILDINGS SURVEY

MARY E. DENNISON HOUSE

HABS No. PA-5694

HABS  
PA,  
11-JOTO,  
83-

Location: 245 Fayette Street, Westmont, Johnstown, Cambria County, Pa.

Description: Large and tall single-family home sited on elevated lot. Two-and-a-half stories, side gable roof, front fishscale shingles in front gable dormer. Wood frame with drop siding. Elevated corner porch with curved baluster. Steep conical porch roof continues slope of side gable, incised by "turret" dormer. Large side bay window spans two floors.

History: Mary E. Dennison purchased the property from Cambria Steel Co. on October 19, 1904, for \$1,350 and probably built this house soon after. The property remained with the original owner's family until it was purchased by George Azar in 1965.

Project Information: This report was part of a larger project to document the city of Johnstown, Pennsylvania. The project was undertaken by the Historic American Buildings Survey/Historic American Engineering Record (HABS/HAER), Robert Kapsch, chief, at the request of America's Industrial Heritage Project (AIHP). An overview of history of the city (HABS No. PA-5669) and an overview of the neighborhood of Westmont (HABS No. PA-5671) provide context for these buildings as well as a comprehensive list of sources. See also additional HABS reports on buildings in the downtown and other neighborhoods.

This report was prepared by Natalie Gillespie in August 1988 under the direction of Alison K. Hoagland, HABS historian, and Kim E. Wallace, the supervisory historian of the project. Gillespie's and other project historians' work was published as The Character of a Steel Mill City: Four Historic Neighborhoods of Johnstown, Pennsylvania (Washington, D.C.: HABS/HAER, National Park Service, 1989), edited by Kim E. Wallace. Illustrations in the publication include large format photographs taken by HAER photographer Jet Lowe and 35 mm photographs taken by the project historians.
