Alumni Association Looking For Your Opinions

Enclosed with this edition of the GJHS Alumni News is a survey. We would like each of you to take a few minutes and complete and return this to us. As we plan events or activities, we want to know what our membership feels is best for them. For those of you who are on Face book, there is a link and the survey can be completed on line. We would like this survey returned by **July 15** so that we will be able to report our findings to those who will attend our 2nd Annual All Class Reunion on August 8 at Lorain Borough Park.

This organization was formed to meet the needs of all graduates of Greater Johnstown while helping the current student population. Without your input, it is very difficult to plan activities, develop Alumni merchandise and create enthusiasm for the organization as a whole.

The current Board of Directors has been working hard to develop ways to increase participation in our events and hope that this survey will provide insight into what our membership would like to see happen as we continue to grow. So please take a few minutes, complete the survey and mail it back to us.

Again, if you prefer you can complete the survey on line at <http://www.zoomerang.com/Survey/WEB22AJD6EZZTH>

Your input is important to all of us!

Thank you
