To all 2015
Graduates of the
Visitation family:
We send our most
sincere
congratulations on your
graduation. Best wishes,
prayers, and blessings for your
next adventure!

Thoughts for the graduate – Life is going to change... how are you going to handle it?

1) The BIBLE is filled with wisdom for living

This book will keep you from sin or sin will keep you from this book. God wrote down his plan for your life. All you need to do is READ IT (and then apply it).

2) Be careful out there

Having 20/20 vision does not always mean you can find what you are looking for! Behold, I am sending you out as sheep in the midst of wolves, so be wise as serpents and innocent as doves. – Matthew 10:16

3) Money is the base of the problem for lots of people

Too many people spend money they haven't earned, to buy things they don't want, to impress people they don't like. Bible's guide: 10/10/80. Save 10%, Give 10%, Spend 80%.

4) Always be a learner

It's what you learn after you know it all that counts. Never discourage anyone who continually makes progress, no matter how slow. NEVER STOP LEARNING.

Let the wise hear and increase in learning, and the one who understands obtain guidance. – Proverbs 1:5

5) Step up and take some risks

A man would do nothing, if he waited until he could do it so well that no one would find fault with what he has done. Only those who risk going too far can possibly find out how far they can go.

To those who use well what they are given, even more will be given, and they will have abundance. But from those who do nothing, even

what little they have will be taken away. – Matthew 25:29

6) Treat others like you want to be treated

This is my **commandment**, that you love one another as I have loved you. – John 15:12

7) Friends are a BIG deal

Whoever walks with the wise becomes wise, but the companion of fools will suffer harm. – Proverbs 13:20

Do not be deceived: Bad companions ruin good character. – 1 Corinthians 15:33

8) The next few choices and decisions are a BIG deal

When you have to make a choice and don't make it, that is in itself a choice.

We can make our own plans, but the Lord gives the right answer. – Proverbs 16

For I know the plans I have for you, declares the LORD, plans for welfare and not for evil, to give you a future and a hope. – Jeremiah 29:11

9) When you fall – get back up

"Even if good people fall seven times, they will get back up. But when trouble strikes the wicked, that's the end of them." – Proverbs 24:16

10) Enjoy Everything in MODERATION.

There CAN be too much of a good thing!

11) When you sin / fall away – confess

your sin to God – He ALWAYS forgives

Read the story of the Prodigal Son: Luke 15:11-32.

12) Work hard at a job you love

Choose a job you love, and you will never have to work a day in your life.

God gives the birds their food, but He doesn't throw it into their nests.

And whatever you do or say, do it as a representative of the Lord Jesus, giving thanks through him to God the Father. – Colossians 3:17

13) Family first

I don't care how poor a man is; if he has family, he's rich. Nothing can ever take you away from being part of your family. Love them and care for them – there is no replacement.

14) Change will happen

Don't Forget to INCLUDE GOD in the change process

15) Live Life to its fullest

God came to give us a rich and satisfying life. He has given you everything you need to make the most of your life.

The thief's purpose is to steal and kill and destroy. I have come in order that you might have life in all its fullness. – John 10:10
