A Message from the Executive Director

David P. Roman, Jr.

On behalf of the Westmont Hilltop Recreation Commission and Staff, I would like to send best wishes to you and your family this summer season. After a successful winter, we are looking forward to the many great recreational opportunities that come with the warm summer weather.

Our objective is to enhance the total quality of life for the residents of our community. With that in mind, we once again will offer many quality programs for the family to enjoy. Our short-term goal is to maintain and improve on the existing programs. Our long term goal is to work with community members to create new and exciting recreational opportunities for our residents.

We present to you the summer brochure of activities and programs. I hope you enjoy the new format. Thanks to input from several residents, I believe you will find this brochure more user-friendly than in the past.

You may have noticed the new sign-in procedure that has been implemented at the Grove. For liability and security purposes, our insurance policy now requires us to have each and every visitor sign-in and out. We appreciate your cooperation with this procedure.

We have several exciting projects in the works that we believe will be great additions to the quality of life in our community. Stay tuned.

As always, we appreciate your input. If you have any suggestions on how we can better serve you, please call or stop by the office.

I want to thank all community residents and non-residents who participate in our leagues, activities, and programs. We look forward to another exciting summer here at WHRC.
