SENIOR CLASS PLAY IS STAGED IN SCHOOL AUDITORIUM JUNE 1

Class of '26 Presents Dix's and Sutherland's "Road to Yesterday"

"The Road to Yesterday," written by B. M. Dix and E. A. Sutherland was given by the Senior class in the Westmont-Upper Yoder High School auditorium the evening of June 1, at 8:15 o'clock.

It is the story of a young girl very much interested in all things medieval. She dreams on a mid-summer's eve that she is back in the Seventeenth Century when everything was bigger and better than it is now. Consequently she has many exciting and disillusioning experiences.

Interwoven with the plot is the idea of the reincarnation of the soul, and the payment through "lives" and "lives for the things we did centuries ago. In the second act we see the characters of the first act as they were three hundred years ago, and the things they did then explain what they are now.

There were comic as well as semi-tragic elements in the play. The action moved along so swiftly that there was not a dull moment in the whole four acts.

The scenery and lighting effects were more elaborate than any we have ever attempted and it was the first performance on our newly equipped stage.

The cast were as follows: Kenelm Paulson, Ben Coll; Jack Greckox; Eberle Thomas; Will Leveson, Morris Lewis; Adrian Tompkins, Robert Sloan; Malena Leveson, Dorothea Wolf; Eleanor Leveson, Beth Dankmeyer; Harriet Elspeth Syrell, Mary Louise Burkhardt; Phelps, Frances McCahan; Mother Gillan, Hazel Hawk; Dolly Foulis, Alice Raab; Herbert, Thomas Cleaver; and Wat, Hugh Sheridan.

Much praise is due to the following people for their splendid aid in making the play a success: William Greer, stage manager; Halleck Singer, lighting; Joe Bennett, business manager; Helen Peterson, Property manager; Mrs. Margie Harris, scenery; and Miss Margaret Greer, dramatics.

RECEPTION GIVEN IN HONOR OF SENIORS BY CLASS OF '27

One of the most interesting and entertaining Junior-Senior Receptions in the history of the Westmont-Upper Yoder High School was held on the evening of May 28th. At this time the Juniors entertained the Seniors at a very elaborate reception.

The gymnasium was pleasingly decorated to represent a flower garden, the walls covered with soft gray paper, making an exquisite effect. The clever little waitresses in their French maid costumes added even more to the appearance.

The program included the following features:
Address of Welcome—Hermine Luebert; Reply—Mary Campbell.
Solo Dance—Mary Souers.
Solo Dance—Florence Gaffney.
Solo—Home Dishong.
The chairman of the committees were as follows:
Decorating—Mary Frances Tarr.
Program—Mary Louise Boyle.
Favor—Lillian Slough.
Refreshments—Roberta Williams.

The servers were Sylvia Rush, Louise Stoupe, Dora duPont, Marion Fisher, Anna Mary Raab, and Julia Symons.

MISS GREER TELLS OF TRIP TO CONFERENCE OF DRAMA LEAGUE

"The trip was a profitable one," states Miss Greer on her return from attending the Drama League of America which met Wednesday morning, May 5, at the Hotel Pennsylvania for its seventeenth annual convention, the first of the series to be held in New York City. Delegates were present from twenty states numbering between 500 and 600.

On Wednesday evening the delegates attended the performance of "At Mrs. Beams," at the Guild Theater. After the performance, the delegates of the convention remained and inspected the stage equipment.

Thursday's session was entirely devoted to the amateur theater. Dr. S. Marion Tucker, Editor of the Little Theater Monthly, acting as chairman said, "A good play, poorly acted is far better than a poor play, well acted."

Barrett H. Clark, the authority and writer on the amateur stage, spoke of the Community Theater. Professor Lotting, Dramatic Director of State College, talked on the drama in college. Kenneth Niagowan, director of the Greenwich Village Theater, spoke on the Experimental Theater.

Thursday afternoon lighting, scenery and costumes were discussed. Cleon Drockmorton gave many practical suggestions for inexpensive, yet effective, results in settings. Mrs. Aline Bernstein, the designer, spoke on costumeing.

Thursday evening a banquet was held at the Hotel Pennsylvania at which people prominent in the theatrical world spoke; among them were Otis Skinner, Edith Wynne Matthews, Louis Wolheim, and Austin Strong, and Charles Rann Kennedy, playwrights.

Friday morning eight round table conferences on leading phases of amateur drama took place. Friday noon, Prof. George Pierce Baker of Yale University was the speaker at the Little Theater luncheon. In the afternoon Brock Pemberton, the producer, Frank Gillmore, Executive Secretary of the Actors Equity Association, and Joseph Wood Krutch of the "Nation," spoke.

GIRLS' CLUB BANQUET FOR MOTHERS HELD THURSDAY, APR. 29

The annual "Mothers' and Daughters' banquet of the Girls Reserves was held in the Social Hall of the First Presbyterian Church, Thursday, April 29th.

After the mothers had been placed, the Girl Reserves marched to the table reserved for their school. When everybody was placed, a song of praise was sung, after which the banquet proceeded in full swing.

Music was furnished by the Cochran Girls' orchestra under the direction of Miss Snowden. During the course of the banquet there was much singing and cheering. Several vocal selections were sung by the Dale club under the direction of Mr. Auchenbach. Miss Eggleston of the Philadelphia Girl Reserves gave an after dinner talk on the "Purpose of the Girl Reserves." Mrs. Beakley recited two humorous readings, following which rings were presented by Mrs. Richards to the girls doing the best work in their clubs. Two of our Westmont girls, Frances McCahan and Mary Louise Burkhardt each received one. After the presentation of the rings the Dale club staged a clever play "Her Son's Sweetheart." After for the mothers and the meeting adjourned.

SCHOOL TAKES ACTIVE PART IN VARIOUS SPRING SPORTS

Starting the season with a green team except for Morris Lewis, our captain, the Westmont-Upper Yoder High School Tennis Team has developed into a fast, steady team. We have won no tournaments as yet but the team has shown remarkable ability considering the schools we have been pitted against. The team this year is composed of Captain Morris Lewis, Lucourgs Gurley, Robert Sloan, Craig Longwell, and Manager Eberle Thomas.

The first tournament of the season was played with Carnegie Tech at home. Westmont was defeated 6-0. The feature of this tournament was the steady playing of Longwell. The Tech players found much opposition in his opponent and after great difficulties ended the match in his favor 6-4,7-5.

On May 13, 14 and 15 our team played three games away from home. All three being played at Pittsburgh. The first tournament was played at Teck. Westmont was again defeated but with a score of 5-1. Longwell, who played the same member of the team as before, was this time victorious. The score of his match was 6-0, 6-0. At the Pitt we were defeated 6-0, but Captain Lewis says he feels confident that we will triumph in our home game with Pitt.

At Shady Side Longwell again showed remarkable ability and defeated his opponent 6-0, 6-0, but Westmont was defeated 5-1.

Allowing three more home games, our team still has chances for victory. Our team is more experienced and they also had opportunity to practice. Taking into consideration our present team and the teams we have played—our prospects for next year are very bright.

As to track, it has been stated that it is doubtful as to whether Westmont will enter the track and field meet next fall.

SENIOR CLASS DAY HELD ON MAY 31

The week of May 31st and June 4th was entirely devoted to the Seniors and their activities.

The Seniors' class day, a time set aside for speeches and witticisms by the Seniors was held Wednesday, June 2nd at 1:30 o'clock. The entire school was present in the auditorium and it was a very good program. The school is very fortunate in having as good a Senior class, every member being very capable and efficient. Miss Trine, the Senior teacher was in charge of the program. Having had great faith in her we looked forward to the program with great anticipation.

The program was as follows:
Music—Westmont Upper Yoder High School Orchestra.
Address of Welcome—Hazel Hawk.
Class Role—Matilda Tomb.
Class History—Margaret Griffin.
Solo—William Yingling.
Honor Society—Miss Krebs.
Class Presentation—Ben Coll, Adeline Eichler.
Class Prophecy—Thomas Cleaver.
Class Poem—Mary Louise Burkhardt.
Class Will—Joe Bennett.
In addition there were gifts given appropriate to the receiver, such as a clock for one who is forgetful—a vanity case for one who is vain, and so each receiving was unscrupulously dealt with.
The costumes of the girls worn on this day were dresses of radium silk, in colors. The boys wore dark blue coats and light grey trousers.

GRADUATION EXERCISES HELD IN AUDITORIUM THURSDAY, JUNE 3

Education to Be Topic Discussed

Commencement, one of the most important events in the school's year, will be held in the Westmont-Upper Yoder High School Auditorium at 8:15, June 3rd.

It is to be a much bigger and better Commencement than there has ever been—as the new auditorium has more comfortable seating capacity than could be offered in previous years.

Last year the program constituted tracing the history of the drama, with selections given from Hamlet, Antigone Comus, Merchant of Venice, Rivals and Friendly Enemies—but this year it will be entirely different—being on a different line.

It is the "big day" in the life of every pupil who graduates from High School, and the Seniors this year realize the honor and responsibility that is theirs to a universally marked degree.

The program will be as follows:
Music—Westmont-Upper Yoder High School Orchestra
Invocation—Reverend Harry Snyder
Class Problem—"The Cardinal Principles of Education as a guiding factor in the Curriculum of the Westmont-Upper Yoder High School."
Command of the Fundamental Process—Jo Elliott Muckley.
Health and Ethical Character—John Wolf.

Worthy Use of Leisure Time and Worthy Home Membership—Sarah Engelhardt.
Extra Curricular Activities and Music—John Wolf, William Yingling.
High School Orchestra.
Address—Dr. M. S. Bentz, Superintendent of the Schools of Cambria County.

Presentation of Awards—Miss Helen F. Price.
Prizes—Mrs. Russel C. Love.
Letters—Mr. Carl H. Engle.
Presentation of Diplomas—Mr. Adam Keppeler, President of High School Board of Education.
Benediction—Reverend Harry Snyder.

The National Honor Students have lately been elected—they are Jo Muckley, John Wolfe, William Yingling, Sarah Engelhardt, Margaret Griffin.

HISTORY CLASS SPEAKS ON SESQUI CENTENNIAL

The school had a very pleasing as well as educational program in chapel on Monday, May 24 when the pupils of the United States History classes spoke on the Sesqui-Centennial of Philadelphia. This was even more of an occasion because of the fact that it was the last chapel program of the year.

The girls told the school that the Sesqui-Centennial is the one hundred and fiftieth anniversary of the signing of the Declaration of Independence and that it is to be such a great occasion that all should attend who have any chance at all. First Elsa Jahn told the school of the greatness of the last celebration of this event and then Bessie Closser, Louise Stevens, and Jean Kantner proceeded to tell the school of the coming event. These girls told the school of the things that will take place at Philadelphia during the coming summer. They also related of the interesting things to see in Philadelphia during the summer. Hermine Luebert acted as introducer. Miss Reese had charge of this program and managed it very capably.

MONTHLY THOUGHT

And only the master shall praise us
And only the Master shall blame,
And no one shall work for money,
And no one shall work for fame.
But each for the joy of working
And each in his separate star,
Shall draw the things as he sees it
For the God of things as they are.
—Rudyard Kipling

STAFF QUILTS DUTY

As every day must have a close, so the "Gossip" with this number closes; not permanently, but for a few months, when it will be in charge of a new group of students. We, the staff, have striven to make this, our high school paper, representative of all our school activities.

Perhaps in the future, after we have finished our high school work and have learned more of the outside world, we shall discover many youthful mistakes which are now concealed from us.

But, while we have done our best to make the "Gossip" a success, we feel that we could never have accomplished this task if it had not been for the assistance and co-operation of the high school. For this we are extremely grateful and only hope that you will continue to give your service for the purpose of making our high school paper representative of our ideal school.

To you, the staff of next year, we dedicate the task of maintaining the "Gossip" and raising it to a higher plane than ever before. To you, success will be inevitable if you will have as a goal a better paper and strive to make the "Gossip" such.

VACATION HAS COME!

And now, we, the Gossip staff of 1926, offer to you, the staff of the coming year, our positions and our wish for your unmeasured success.

concentrations, no more unpleasant tasks, nothing but reading of novels, swimming, sleeping, and tennis. We shall enjoy the summer months with their various blessings.

We have worked hard to gain this coveted freedom, so let us enjoy and appreciate it while it lasts. Take part in the healthy sports and have a good time!

Principal's Page

Only a few days more until another group of pupils will leave the Westmont-Upper Yoder High School to continue their education either in some institution of higher learning or among the ranks of producers. Whichever field is chosen by the members of the Class of 1926, their growth in power will ever be of interest to us. May the life of the past four years leave with each one an ever-increasing desire to serve well, thus contributing constantly to social organization and betterment.

A number of school activities were strengthened this year through the efforts of the members of the graduating class, from which the school as a whole has benefited. When the Handbooks, compiled with the aid of two Seniors, Ruth Matonik and Lucille Petriken, the leaders of the organizations of the school, and the teachers, are distributed, not only the incoming class will appreciate the information found there, but every upper-classman will value the contents of this little guide book.

The English department wishes to call attention to some revision. Among the books for the ninth grade will be seen listed several books which were not included in the course of previous years. This summer the upper classes will have an excellent opportunity to read them, as well as others listed for each grade in our high school. By including biography, travel, and science, with the books of fiction chosen for summer reading, every one can experience the joy of making new acquaintances which will satisfy every mood and enrich the lives of each one.

NOTES OF INTEREST

We are glad to hear that we received two honorable mentions in Latin at the Pittsburgh Scholarship Contest, one to Verna Fulmer and the other to Jo Muckley. In many of the other events our students stood in the upper third showing that we have a very high standard of scholarship.

The Juniors gave a very pleasing vaudeville stunt at the Girls' club meeting on May 3.

One of the most pleasing chapel programs of the year was held on May 2, when musical talent was displayed by Verna Fulmer, Herbert Walker, Charlotte Dunkle, and the Girls' Choral club. This program was given to celebrate National Music Week.

There is a mistake that we wish to correct in that Miss Higgon had not returned to her home at the time of the last "Gossip" but that she has returned now.

We are all very thankful to the House Hold Arts Department for the electric pad which they have presented to the school.

The presidency of the Inter-Club Council of the Girl Reserves has again gone to a Westmonter when Elsa Jahn was elected to it at the last meeting.

Plans have been recently made for equipping the cafeteria with tables and chairs.

A school census recently taken shows that approximately seventy pupils will enter ninth grade next year. The present corps of teachers will return next year, excepting Miss Elizabeth Reese, head of the History department.

The "Gossip" staff extends to the students of the high school and to the members of the faculty a very happy summer vacation.

The "Gossip" and "Phoenician" staff for 1925-1926 has completed its work for this school year. It hopes that it has succeeded in doing its work well and passes its torch on to those who are to follow with best wishes for their success.

TONG WAR

Bill! Bang! Crash! Sock! Smack! Ow! Wallop! Bing!

These gentle sounds were heard by many spectators as Mike Kindya and Don Wright disappeared into the dark recess of an alley. In one instant the tenseness was so great that only five girls collapsed.

When Donald made a record for the two block dash, he disappeared into a dark alley with Puglist Mike closely pursuing him. It was then that the group of spectators stood spell-bound at the mouth of the alley, awaiting their return. It was then that the above sounds were heard and that the two combatants came flying head over heels out of the darkness, followed by an old ram. It would please Mr. Engh if some of the track men could run as fast as those two did.

The ram soon gave up the chase to act as watch dog, for Don and Mike had climbed a tree. There wasn't room for two, so the versatile two continued their battle, this time in the air. Mike was the retainer of the seat after the hard fought battle, and Don was forced to hang to the lowest limb with the ram gently chewing his shoes. Just at this time one of the spectators ran up behind the ram and with the aid of his comrades soon disposed of the poor dumb brute, so that the battle might continue.

Seeing his opportune moment had arrived, our Donald dashed up the street at full speed, for Mike was again on the trail. When about a block from his home, Donald was re-engaged in earnestly fighting. For a half block Donald retreated slowly, suffering heavy losses. The other half block was a marathon race and Mike caught Don on the latter's porch. Donald yelled for his mamma and papa, both of whom happened not to be home. Then and there Mike just about killed the poor boy and thanks to Donald's quick thinking (not that we care) for he suddenly stopped and offered Mike two bits to stop so they both called it a day and the decision turned to Mike who says that now he's going to get a steady job at a quarter a day and in the meantime is writing a book, "How to Get Rich Quick." Patronize our advertiser and buy Mike's book and be a successful business man. Everyone congratulated Don on his remade face the next day in school, so girls see Donald Wright for face treatment. He is going to open a beauty parlor and let Mike Kindya manage it and we wish success to Wright and Kindya Beauty Parlor. Signing off at the Wee Hours of the Morning Station C-O-S-S-I-P.

**WESTMONT CELEBRATES
MEMORIAL DAY, MAY
31, WITH PARADE**

Memorial Day, a day set aside for honorary tribute paid to those living and dead who fought for their country was celebrated Monday, May 31. These services were held in Grandview Cemetery by the American Legion.

As here to fore, the parade formed on Second Avenue, near the intersection of Greene street and moved toward Grandview cemetery at 9:30 o'clock. At the cemetery services were conducted. An address was made by Dr. M. S. Bentz, County Superintendent of Schools. Louise Stevens also gave a short recitation.

A large number of former soldiers turned out for the parade and memorial services. With the hearty co-operation of the ex-servicemen and with a reasonably large number of ex-soldiers, the parade was a huge success.

The American Legion Bugle and Drum Corps formed a section of the parade. About thirty-five of the "Blue Devils" were in uniform for this event. Their appearance lent color to the occasion, and also directly represented the legion.

Representatives from a number of patriotic organizations participated in the parade. The schools also were particularly well represented as was hoped for, and an abundance of flowers was procured.

The success of Memorial Day was due to the following:

General Chairman—Mr. D. M. Stackhouse; vice general chairman, Mr. Robt. McEldowney; master of ceremonies, Mr. N. R. Humphreys; chief marshal of parade, President of Home and School Club, or vice president in absence of president chief of staff, Mr. Thos. Parfitt; aides, members of Westmont Home and School Club and past presidents, Mr. G. A. Jahn, Mrs. John Northwood; chairman of flower committee, Mrs. A. B. Critchton.

(Continued from Page One, Column 2)

The latter part of the afternoon was given over to the inspection trip to the Brooks Costume Company, where Charles LeUrawn, the designer, talked on costumes of all periods. Other speakers were Norris Quest and Russell Janney.

Saturday afternoon the delegates saw the four prize productions which were competing for the Belasco Cup in the Little Theater Tournament at the Nora Boyles Theater. The plays chosen by the judges were "Release" which the Cellar Players of the Hudson Guild did; "The Cajan" played by the Shrevesport, La., Little Theater; "St. Simeon Stylites" presented by the Huddersfield Thespians of Huddersfield, England; and "El Cristo," by the Little Theater of Dallas, Texas. "The Cajan" and "El Cristo" were the winners of the Samuel French awards of \$200 each for the best original unpublished play during the tourney. The other two were each awarded \$200 by the management of the contest as being the best of the published and unpublished plays.

Among the contestants were two schools, the Dramatic Association of Smith College which presented "A Puppet Play" and the Winston Hill Players of Winston-Salem, N. C., who presented "Roads and Rain," written by a student of the High School.

After the teater party, Saturday afternoon the convention was brought to a close with two inspection trips to the scenic studio of Cleon Throckmorton and Robert Bergman and through the studio of the Display Stage Lighting Company.

**REV. CAMPBELL PREACHES
BACCALAUREATE SERMON
TO GRADUATING CLASS**

The Seniors were greatly pleased with their Baccalaureate sermon this year. It was held at the First Presbyterian Church on May 30th and was preached by Reverend Campbell.

The church was decorated by bacheloret buttons and old fashioned marigolds, blue and gold being the class colors. The class and faculty attended in a Reverend Campbell gave many fine suggestions for them to carry on in later life.

A large audience was present and the sermon was greatly enjoyed by all.

TO FILL UP SPACE

Oh, the good old swimmin' days are here, The time that most our ma's do fear, And if we're caught at this fun, No foolin'—then we've got to run.

"For you see," say they, "it's awful damp; Come here, you naughty little scamp, Is it swimmin' that you have done?" "No, ma," sez I—then's the time to run.

It used to be if a feller chose In swimmin' he would wear—er few clothes. But now it's a two-piece suit or more, Cause time's ain't like they used to were.

For some old ladies might come strollin' by, And be so shocked they most would die, We'd have shot 'em if we had a gun, But what can feller do—but run.

**BIRD TRIP CONDUCTED
BY SCIENCE CLUB ON
MAY 15 IS SUCCESS**

The Science clubs of the high school have had many very successful after-school bird trips this year, but not till about three weeks ago did they succeed in having an early morning trip. At 6:00 A. M. Saturday, May 15, about twelve pupils gathered to go on a bird trip, which turned out to be very successful. In all eighteen species of birds were seen and many wild flowers.

Early on the trip the group saw song sparrows, and towhees, and while still opposite to the school they heard the catbird. When about three blocks away from the school a wood-thrush was heard. Also near there a wren and several black and white warblers were observed.

Next the class spent quite a while watching a scarlet tanager which proved to be a big feature of the trip. A rose-breasted grosbeak pair was the next attraction. From there on down to the path a downy woodpecker and a black-throated green warbler, besides some painted trilliums and a friendly ovenbird's song held the attention of the group. To end up the trip the group succeeded in seeing a wood thrush, an ovenbird and the male and female of the chestnut-sided warbler.

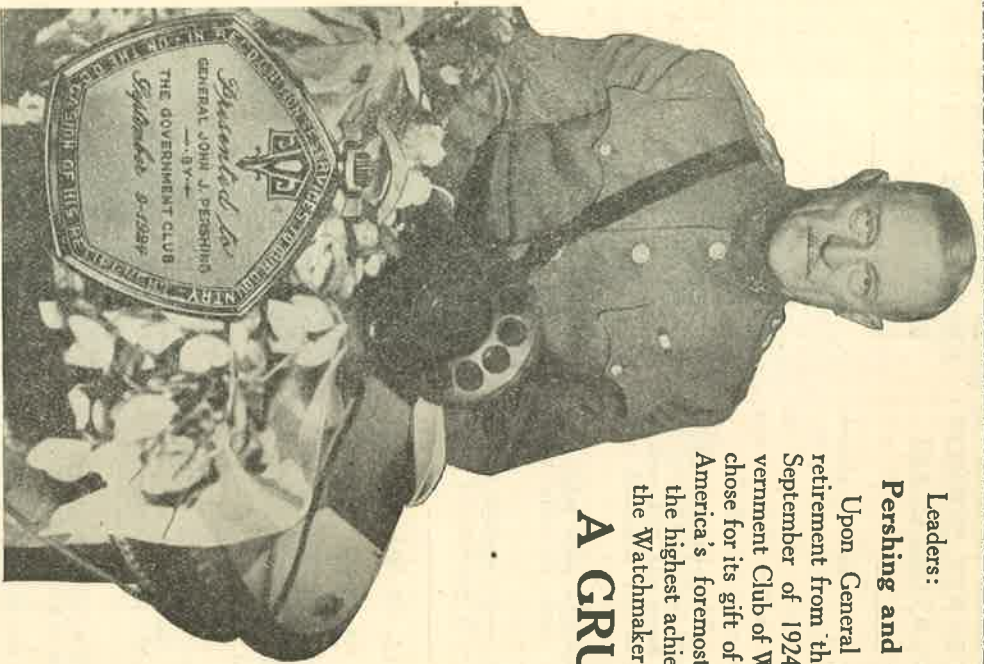

While on the route back, many wild flowers were seen including: Trilliums, bellwort, miltrewort (true and false), twisted stalk, solomons seal, dintonia, wood anemone and the wild geranium.
