An Appeal to the County.

We published on Tuesday evening another appeal for help for the sufferers of the Conemaugh and Susquehanna disasters. It is directed more particularly to the people of this great county, the wealthiest agricultural community of this Commonwealth, and it surely will not fall upon heedless ears.

The school directors should undertake the work, as an organization and responsibility are essential to rapid and effective collection and transmission of the suggestion needs no argument to urge into action upon it.

Another for Lancaster.

The Game on Tuesday With York Very Interesting. There was a goodly crowd at McGarran's park yesterday afternoon to witness a game between the York and Lancaster clubs.

Our Valleys. Pennsylvania railroad trains have reached Lewistown on the main line; and Williamsport and Lock Haven, on the Erie road, have been reached after four days of isolation.

That Dam. The story of that dam is coming out. The man employed to guard the waters from the intrusion of other than the club members reports that the dam has long been in bad condition and that he so reported to the club officers.

State Pharmacists Meet. The twelfth annual convention of the Pennsylvania State Pharmaceutical Association opened on Monday afternoon at Harrisburg.

The Day Express.

There seems to be a good deal of uncertainty as to the number of passengers lost on Day Express which left Pittsburgh on Friday morning and reached Johnstown in time to be engulfed.

IT COSTS LESS.

On the question of real economy Hood's Sarsaparilla is so far ahead of other preparations as to place them entirely out of the race as competitors.

HOOD'S SARSAPARILLA.

It costs the Consumer LESS than any other medicine, because of its greater concentrated strength and the quantity in each bottle, and because it is the only preparation of which can truly be said, "100 Doses One Dollar."
