

WE GRIN!

The rush continues and the smile increases until it is a full grown grin. To-day closes the most successful week's business the Red Corner has ever known

since its existence. We have worked hard for this increase in our trade and will continue to increase it by selling goods cheaper than anyone else, and dealing honestly and fairly with our trade. We have learned that the best way to advertise is to sell goods that will advertise us, and will make every sale with this in view. We have been receiving shipments from the East daily, and put on sale to-day the handsomest line of

Medium and Light-weight CLOTHING

ever opened up in this city. We will not quote prices, as everyone knows we will sell goods of same quality cheaper than any house in the State, and respectfully ask you to call and examine our stock. We are better equipped for MERCHANT TAILORING than ever before, and refer you to parties who are wearing the elegant Suits we are turning out as to quality of goods and style of work. The WATCH is given away July 1st—only a few more days to get a ticket with every dollar purchase.

CLOSING BUSINESS.

The Baptists Complete Their Work and Adjourn—The Third Day's Doings.

The General Association of Kentucky Baptists completed the work before it yesterday afternoon at 5 o'clock and adjourned to meet next year at Owensboro.

At the morning session yesterday, T. C. Bell reported on State Sunday schools and colportage, showing the following:

Number of schools..... 606
Number of scholars..... 38,519

The receipts from book sales amounted to \$4,966 50 during the year. There are 817 churches in the State without a Sunday school.

A new constitution was offered by Rev. Hungerford. Ordered printed and referred to a committee consisting of Drs. Peter, Whitsitt and Gardner, who are to report it at next session for action.

T. P. Bell, Assistant Secretary of Foreign Missions, addressed the body with the privilege of unlimited time, making a speech of great earnestness and power.

The churches were asked to raise \$18,000 this year for foreign missions. Ten workers have been sent to Mexico, 7 to China, 5 to Africa, 3 to Brazil and 4 to Japan. Thirty-nine missionaries have been added in eighteen months. Dr. Bagby and Rev. H. T. Daniel also spoke on the subject.

Dr. Kerfoot was excused after the morning session.

M. D. Jefferies read the report on home missions. Dr. Tichenor, Corresponding Secretary of the Home Mission Board, was invited to address the meeting, and was allowed unlimited time. He presented an interesting series of facts regarding the work of his Board. The removal of the Board to Atlanta seven years ago had resulted in great good. The ministers have had 23,000 baptisms. The sum of \$10,000 was asked from Kentucky for this year's work. At the close of Dr. Tichenor's remarks, the report was adopted.

Rev. Fullilove submitted the report on temperance which was recommitted on Thursday. On motion it was adopted.

B. W. D. Seeley reported for the Committee on Nominations the same Executive Board as last year. Dr. Gardner requested that his name be omitted, which was done, and Rev. W. P. Harvey's was inserted.

Dr. A. C. Davidson was appointed to preach the annual sermon next year.

At the afternoon session the Moderator announced that J. B. McFerran, Andrew Conan, J. C. Freeman, and Judge Wm. Lindsay had been appointed a committee to memorialize the next Legislature on temperance. Dr. G. F. Bagby and J. M. Wood were added, Dr. Bagby being made Chairman.

General Green Clay Smith made an appeal for the evangelization of Kentucky. Dr. Wm. Felix followed with some excellent remarks. Dr. R. M. Dudley spoke of the importance of education within denominational influence. Religion and education go together. Dr. Eaton followed. He wanted every good object advocated without disparaging any other. Other speakers followed.

R. L. Thurman submitted the report on the colored university at Louisville. The value of the buildings is \$25,000. For ten years the university has had an average attendance of 150 students.

Dr. Bagby condemned the recent inflammatory utterances of W. J. Simmons, President of the University. Others spoke in a similar strain. Dr. Warder pleaded that all stand by the university, and not sacrifice it because of the unwise utterances of such men as Simmons. Dr. Eaton said he would continue helping the colored people, and hoped they would rid themselves of unwise leaders.

Resolutions were adopted warmly thanking the members of the church here and the citizens generally for abounding hospitality; the Maysville Street Railway Co. for complimentary tickets which proved very acceptable, especially to delegates stopping at a distance from the church; also the members of other denominations for courtesies extended. The association also returned thanks to Mr. S. B. Oldham for the use of a splendid Pasteur filter, giving excellent and pure water during the session.

Said one of the visiting members to the BULLETIN: "Maysville has shown unbounded hospitality. Especially was it kind in other denominations to open wide their doors and hearts. The delegates go away cherishing many pleasant recollections of this beautiful city."

Dr. Bagby made the closing address. Rev. R. B. Garrett thanked the association for its visit and said he hoped it wouldn't be forty years before the association met here again. A general hand-shaking and singing of "Blest be the tie," &c., closed the fifty-second session of the association—one of the most successful and pleasant in its history.

Dr. Eaton preached last night.

SAYS the Falmouth Guide: "Colonel Eyer, who has been compositor, editor and the brains of the Democrat of this town for the past two years, has severed his connection with that paper and goes to accept the position of editor and business manager of the Maysville Democrat. The Colonel leaves next Thursday for his new field. He is a fine printer, a clever gentleman, a practical writer, and will render satisfaction to those who have employed him. He carries with him the Guide's best wishes."

A RIPLEY special says one of John Cochran's little boys and a son of Silas McDonald, each about 12 years old, captured several chickens on the street and without the formality of a trial by jury proceeded to hang them. The only question propounded to the victims was: "Have you anything to say why you should not be hanged?" Receiving no reply a noose was slipped over the necks of the chickens and they were strangled to death. The chickens belonged to a neighbor. The boys thought it was great fun. They were arrested.
