

IDENTIFY THE REASON. An Epidemic of Insanity Begins to Break Out. THREE VERY SAD CASES.

The Latest Sensational Feature of the Flood-Physicians Say It is a Natural Consequence of Such an Awful Disaster.

Called in an Incoherent Manner he placed her under arrest. She thought at the time that the woman was under the influence of liquor, but upon questioning her found that she was insane.

Call Her Children to Her and beseech her husband to save their lives. She would talk rationally at times, and then would break out into a hysterical outburst.

It was when Mrs. Sager was being put on the train that the insanity of the case was ascertained. It was then learned that her husband and one child had been saved and were then being taken to the hospital.

Another case is that of Mrs. John Fiel. This is the woman who lost her seven children, one by one, by putting them out of a garret window and floating them out on boards.
