A LUCKY INNING.

The East Enders Bent the Etna Stars in the Tenth.

The East End Athletics almost had things all their own way at East Liberty Park yesterday against the Etna Stars. Tibby, who pitched for the Stars, was touched up for 19 good and solid hits. That means a great deal. The fielding of the Athletics was very shaky, and that enabled the Stars to make a show as far as run-getting was concerned. Robertson pitched a good game for the Athletics. The attendance was good.

The score was tied at the ninth inning, and in the eleventh the Athletics sized Tibby fairly up and battered him hard. Score:

SEWICKLEYS ON TOP.

They Beat the Oaklands in a Very Good Game.

There was really a good game between the Oakland and Sewickley clubs, of the County league yesterday at Recreation Park. The attendance was fair and the contest exciting. Both sides played well except in the second inning when Colebrook's passed ball was very disastrous for Oakland. Brady and Richardson, the respective pitchers, were on their mettle without a doubt, but at critical times Brady's support was shaky. The infield work of Cargo and Boylan was good. Undoubtedly the Oaklands have secured three good men in Kier, Cargo and Brady. Wilson's umpiring was satisfactory. Score:

The Braddock Nine Beat the Grays by 7 to 1.

BRADDOCK, June 8.—The game at this place between the Braddock Blues and Riverside Grays was well played. Baker again came nearly shutting them out and would have done so but for two bad errors in the seventh inning. The Blues have won 6 out of the last 7 games played. The score:

[SPECIAL TELEGRAM TO THE DISPATCH.]

SCOTTDALE, PA., June 8.—The game to-day between the Scottdale and Uniontown clubs was a slugging match from beginning to end, both sides hitting the ball hard. The home team were fortunate, however, in hitting the ball when men were on bases. The fielding of Manafee and Moore and the catching of Cargo and Haller were the special features. Solis Club Disbands.

DENVER, COL., June 8.—The latest in local baseball circles is the disbanding of the Solis Club, of the State league, and a Denver team. Notice was given yesterday and the club formally disbanded. Many of the players will scatter this evening, having signed with the different clubs of the State league.

The cause the disbandment was the inability of the Solis Club to secure grounds in Denver. The State league now comprises Colorado Springs, Pueblo, Leadville and Aspen.

PHENOMENAL PRITCHARD.

The Young English Pugilist Makes Short Work of Burns.

LONDON, June 8.—The long-looked-for fight between Burns and Pritchard came off to-night. Both men opened the fight cautiously, but Pritchard quickly showed an advantage.

Before the round closed Pritchard administered a stinging left-handed punch in the jaw, which sent Burns flying across the ring. Refreshed by a minute's rest Burns again faced his rival, but, despite a plucky stand, failed to keep Pritchard at bay, and the latter administered some heavy punishment. Two smashing left-handers brought Burns down, and a repetition of the dose found him in a helpless condition in the corner of the ring. Jem Smith, the champion, seconded Burns.

Cocking Main at Youngstown.

YOUNGSTOWN, June 8.—A large number of the sporting fraternity met five miles west of here this afternoon to witness a cocking main between Niles and Youngstown birds. Two purses, one of $50 and the other of $25, were made up for the first three birds that were pitted on a side. The first lasted 45 minutes, resulting in the Youngstown bird being killed. Youngstown won the second and Niles the third. Youngstown, after a hard fought battle, won the purses for $25. At least $3,000 changed hands.

Hogan Calls Ward Down.

Tommy Hogan, the local featherweight pugilist, called at this office last night and denied the story of Tom Ward to the effect that he (Ward) fought a draw with Hogan. SCHEME THAT BEAT CAPT. BROWN.

Jimmy Reed a Sure Winner of the Checker Match.

KILRAIN TO PICK THE BATTLE GROUND

[SPECIAL TELEGRAM TO THE DISPATCH.]

NEW YORK, June 8.—Captain Sam Brown started Cortez, J. A. B. and Senorita to-day at the Jerome Park races, and before the races were run it looked to the talent as almost a moral certainty that Brown would win all three races. The fourth race on the programme was the Van Cortlandt stake. Only three horses started, Charlie Dreux, Marauder and Cortez. The betting was 1 to 3 on Cortez, 3 to 1 Marauder, and 8 to 1 Charlie Dreux. Cortez was backed so strong by the public that a great many bookmakers wired him off their slates, Dave Gideon, Charlie Reed, and other parties who were in the plot quietly backed Charlie Dreux at odds of 8 to 30, and it was said to-night around the hotel lobbies that the party won $50,000 on Dreux. The scheme laid was to let Donohue, on Dreux, take the lead next the pole, Cortez second, and Hayward, on Marauder, was to run on the outside and keep Cortez in the pocket. They ran in this order until half way down the stretch before Anderson, on Cortez, saw the predicament he was in. He then pulled Cortez up to get on the outside, but it was too late, for Donohue saw the golden opportunity, and plied whip and spur to Charlie Dreux and before Cortez could get straightened out, shot under the wire a winner by half a length, the Gideon party getting away with the $50,000.

John Stalley's book lost over $5,000 on the day. Captain Brown's trainer was so vexed at Anderson not having sense enough to get out of the pocket until too late; that it took considerable persuasion to keep him from scratching Reporter. In the next race Reporter made a show of his field. He ran the greatest race ever run over the Jerome track by a 3-year-old. He finished with his mouth wide open in 1:44. Senorita was fairly beaten in the last race by Mr. Wither's Major Domo by half a length. It will take a Reporter to beat Mr. Wither's horse. Pittsburg Phil won $5,000 today, but he has been loosing quite heavily of late. The bookmakers are heavy losers on the Jerome races, four out of five favorites winning almost every day. JUNE.

$40,000 for Acolyte.

LOUISVILLE, June 8.—At Frankfort yesterday R. P. Pepper sold J. S. Coxey, of Massillon, O., his bay stallion Acolyte. The price was $40,000. Acolyte is 5 years old, by Onward, the greatest sire in the world; dam Lady Alice, by Almont, second dam Lady Mambrino by Mambrino Chief; third dam by Gray Eagle. His 3-year-old record is 2:20. He will be entered in a number of races.

OUT FOR THE STUFF.

Nikirk and McClelland Put Up Their Second Deposit.

The second deposit of $100 each for the mile and a half race between McClelland and Ed. Nikirk was made good at this office yesterday. McClelland's money was put up by a friend and Nikirk posted his own. The former is out of town training and Nikirk is making the best of it on tracks in and about the city. Both men are in excellent condition.

The race will take place at Exposition Park next Saturday afternoon. The use of the track has kindly been granted by the management. That the race is to be on its merits there seems no doubt, judging from present indications. The contest is principally party against party. If the track is in good condition it is likely that there will be an excellent race and a large attendance. The two principals have long been talking about their respective merits and both are well known.

KILRAIN WON THE TOSS.

He and His Friends Have to Select the Battle Ground.

[SPECIAL TELEGRAM TO THE DISPATCH.]

NEW YORK, June 8.—Although neither Sullivan nor Kilrain was at Charley Johnston's saloon to-night when the coin was tossed for choice of battle ground, each was represented by sporting friends. Alex. T. McGuire, of Flat Bush, produced a silver dollar of the issue of 1885 and marked it for identification. Then a dozen of the leading sporting men and their friends adjourned to back room, while the rest waited outside in suspense.

"Pitch," cried Prof. Donovan, and the coin flew up toward the ceiling. "Heads!" yelled Stevenson. The coin fell and turned once. "Kilrain's won," said Prof. Donovan.

"Sullivan's friend looked aghast, and Arthur Lumley wiped perspiration from his forehead. "I'm glad of it," said Johnston. "It puts the responsibility on Kilrain's shoulders."

St. Louis Entries.

ST. LOUIS, June 8.—The races here to-day were postponed on account of very heavy rains. The entries in the last three races stand, but the first three were declared off. The entries are:

First race, five furlongs—Lillian Lindsay 110 pounds, Adele M 110, Mary Malloy 100, Millie Williams 110, Lena Ban 110, Last Chance 100, Queen Toy 103 and Blue Vail 103, Annell 105, Gertie H 100, Jay Gould 108, The Asp 103, Lottie S 100, Leish Maud 100.

Second race, six furlongs, selling—Kermesse 102 pounds, J T 95, Oarsman 90, Mamie Hunt 104, Splinette 105, Ernest Race 90, Redstone 93, Bostons 96, Kitty R 96, Spalding 104, Carus 100, Lizzie B 90, Luke Alexander 90, Catoosa 90, Sleepy Dick 90 and Big Brown Jug 90.

Couldn't Get Training Quarters.

The proposed fight between Carney and H. Nikirk has been declared off under peculiar circumstances. Nikirk is unable to secure training quarters in the vicinity. He states that for miles outside the town everybody he has applied to for boarding to train refuse him because of a fear of being ultimately charged with aiding and abetting a prize fight. The backers of Carney have, therefore, allowed Nikirk to take down his forfeit.

Athletic Games.

NEW YORK, June 8.—The twelfth annual spring games of the Manhattan Athletic Club occurred this afternoon. In putting the 14-pound shot, F. L. Lambecht broke the record by 9¼ inches, his distance being 46 feet 3¼ inches.

Reed a Sure Winner.

CHICAGO, June 8.—At the close of the six day's play in the Barker-Reed match the score is: Barker, nothing; Reed, five; drawn, 14 with 31 games to play. Reed's fifth win was the black side of the Dyke.

THE ELECTRIC LIGHTS

A Hard Job Putting Them Along the Wrecked Road.

WIRES STRUNG ON TREES.

Three Different Plants, Which Will be Moved Along as Fast as Repairs Progress—Difficulties Encountered in Climbing Along the Mountain Side—Only Experienced Men Employed on It.

The task of lighting the wrecked and torn up portion of the Pennsylvania Railroad lying between Johnstown and Altoona, in order that the construction crews could work day and night, has been confided to the Allegheny Light Company. It is no easy work that was undertaken, owing to the terrible condition of the surroundings, and the fact that the road runs right along the brow of the mountain, affording no opportunity for the erection of poles or other supports for the wires. Not only so, but the lights had to be so evenly distributed as to enable a working light to be thrown upon all parts of the track.

The Most Experienced Men.

The Allegheny Light Company recognized that the requirements of the Pennsylvania Company were so pressing and critical that the very best service must be given by the most experienced workmen, for every hour of time that could be gained in the work of restoring the road to a usable condition meant thousands of dollars to the great corporation. Chief Engineer of the Allegheny Light Company Mr. R. M. Nasmith was placed in charge of the work and Head Wireman R. J. Daily and 12 experienced linemen were sent to the scene of operations as the working force. Three dynamos were placed on the train going to Johnstown last Wednesday night with two engines of 10-horsepower and one engine of 60-horsepower, together with a large quantity of wire and other necessaries. The three dynamos represented a power of upward of 50 lights. No time was lost in transporting this plant to Johnstown, and in transferring it across the wrecked area of the city. One of the linemen who aided in getting the plant into operation gave the following description of the difficulties that beset the paths of the light force in getting the plant established, subsequent to his arrival last night from Johnstown:

Poles Are Not Used.

"When we reached Woodvale we found a force of 3,000 men at work on the track and were told a large number of workmen were scattered along the line of the road all the way up to Lilly's, and the magnitude of the job of repairing the road may be imagined when it is remembered that 25 miles of road and seven bridges were washed away almost entirely. It was at first proposed to erect poles and run a wire for the whole distance, with lights at whatever places were in the worst condition. But this was found not feasible and it was determined to separate the material into three plants and so arrange the lights as to cover as much space as possible. It was dangerous work climbing along the mountain side stringing wires to trees and points of rock, but hard work was done and the 50 odd lights were so arranged as to go as far as possible. The engines and boilers will be moved along in the rear of the railroad workmen and the linemen will take care of the wires and keep them out of danger. It's a big job and required almost continuous work, and is hardly finished even now. But the railroad people will have plenty of light on the situation."

FROM THE CHILDREN.

Two Thousand Dollars Raised by Pittsburg Pupils to be Applied to the Relief of Johnstown Teachers.

It was suggested by a school principal a week ago that the schools take up subscriptions for the Johnstown sufferers, and on last Monday circulars were sent out asking them to contribute. The scholars responded heartily, so that by yesterday $2,354 17 had been sent into the office of Secretary Reisfar. The Bellefield was the only school that had not sent in its collection, but they had already secured $115, and were to add the proceeds of two concerts to the fund and send it all in on Monday. The other schools contributed as follows:

Allen, $57 18.	Bedford, $36.
Birmingham, $36 33.	Colfax, $49 41.
Duquesne, $14 65.	Forbes, $109 71.
Franklin, $70 10.	Grant, $124 77.
Hancock, $23 03.	Hiland, $63 10.
High School, $120.	Homewood, $50 00.
Howard, $92.	Humboldt, $103 70.
Knox, $25.	Lawrence, $36 07.
Liberty, $109 35.	Lincoln, $65 40.
Luckey, $41 01.	Minersville, $76 89.
Monongahela, $3.	Moorhead, $50.
Morse, $61 28.	Mt. Albion, $80.
Mt. Washington, $77 71.	North, $80.
Normal, $55 25.	Soho, $55.
O'Hara, $26.	Peebles, $145 39.
Ralston, $20 32.	Riverside, $15 27.
South, $38 16.	Springfield, $18 04.
Sterrett, $60.	St. Clair, $32 76.
Stevens, $38.	Washington $145 50.
Wickersham, $25 67.	

At an impromptu meeting of principals at the Central Board rooms yesterday, it was suggested that the money be used to aid the school teachers of Johnstown and their families. There were seven teachers drowned in the flood, Jennie M. Wells, Laura C. Hamilton, M. Maggie Jones, Minnie Linton, Emma K. Fisher and Mary White, all of Johnstown, and Mattie M. Davitt, a teacher there, but whose home is at Alexandria, Huntingdon county. Her body has not yet been recovered.

The fund raised will probably be used for the object suggested, but the matter will not be decided for some days yet.
