# LOOKING VERY WELL.

## The City of Johnstown Begins to Resume Its Former Appearance.

## MOST OF THE STREETS CLEARED,

## And a Number of the Refugees Return to Help Rebuild the Place.

## THE SOLDIERS COMING HOME TO-DAY.

**Retrenchment in the Number of Laborers at Work on the Debris.**

Johnstown is beginning to assume its normal appearance, as much as possible after its awful wreck. The Fourteenth Regiment is to be paid off and return home to-day. The force of laborers is being materially reduced.

[FROM A STAFF CORRESPONDENT.]

JOHNSTOWN, June 28.—Johnstown will be a good excursion place for many a day to come. Crowds of people are pouring in to see the wreck and run. Mayor Noonan, of St. Louis, was here long enough to shake hands with General Hastings, and then left for Cresson. He will return to-morrow to look over the field and distribute money at his command.

Johnstown is beginning to look like itself once more. I walked over the greater part of the city this afternoon, and was particularly struck with the work that had been done. I remember when the reporters walked over tops of houses on Main street, but to-day this highway is open and the mud has been cleaned from the pavements. Most of the streets have been cleared of the rubbish, except where they are blockaded by houses, and this is particularly true of some of the roads in Kernville.

The work of cleaning out cellars continues, but the oftener one walks over the field the more he is impressed with the destruction of property. There is work enough to be done here in removing the debris to keep a large force of men occupied all summer.

Many of the people who left the city after the flood are returning. They are looking cheerful and ready to commence rebuilding the town. ISRAEL.

### THE RIVER FILLED UP.

**A Narrow Channel Left by Filling the Stream With Cinder.**

[FROM A STAFF CORRESPONDENT.]

JOHNSTOWN, June 28.—I went over to Kernville this afternoon, and met 'Squire Graham, an old citizen. The 'Squire claims that since 1856 the Conemaugh river has been filled up six feet, and this is why the lower part of town is flooded so often. He blames the Cambria Iron Company for filling it up with cinder. The width of the Stony creek, allowed by the borough, is 175 feet 4 inches; of the Little Conemaugh, 110 feet, and yet the 'Squire is told that at one point in the Big Conemaugh, after these two streams have entered into it, the river is only 148 feet wide, and the Cambria Iron Company has narrowed it that much. He thinks they should be compelled to remove it.

The dam of the Johnstown Lumber Company, up Stony creek, still stands. The company has made it 18 inches higher, and the booms are filled with lumber. The dam is much deeper. The Horner heirs claim a right to the property, and 'Squire Graham said they proposed to fight the company in the courts. The people are determined to remove all menaces to life and property, and in all probability the dam will have to go.

### COUNTING THEIR LOSSES.

**Only 600 Members of St. John's Catholic Church Registered.**

[FROM A STAFF CORRESPONDENT.]

JOHNSTOWN, June 28.—Only 600 members of the St. John's Catholic Church have registered so far. The list of dead is 150. The membership of the church is about 1,500. Father Tahaney will instruct the people to register at the Sunday services. The following is a partial list of families in which all the members were lost. The work is not yet completed:

G. M. Valentine and 6, Frank Banersox and 2, David Johnson and 3, Thomas S. Davis and 5, Peter Brown and 6, James Lightner and 2, Mrs. Jane Levergood and 1, Mrs. Agnes F. Park and 1, Captain Pat O'Connell and 2, James Baker and 2, Ed Barker and 3, Frank John, Sr., and 6, W. A. Kilgore and 4. Other families lost, but with the records not made are Otto Dill, J. N. Stuft, W. F. Hoop, Alex. Hamilton, Jr., Constantine Elsesser, W. J. Tymann, William Buck and William Fross.

### LAST DAY FOR THE SOLDIERS.

**Members of the Fourteenth to be Paid and Return To-Day.**

[FROM A STAFF CORRESPONDENT.]

JOHNSTOWN, June 28.—The Fourteenth Regiment had a dress parade to-night, preparatory to leaving to-morrow, with the exception of three companies. The warrants for their pay, to the amount of $20,000, have been issued. The regiment will return to Pittsburg with a record for good work that cannot be beaten. The boys have done nobly, and they deserve all the credit.

With the assistance of the companies left, the local authorities think they can manage to maintain peace and order. The remaining companies do not expect to stay longer than next Wednesday. Colonel Perchment and Dr. Foster will remain until next Wednesday.

### RETRENCHMENT ALONG THE LINE.

**The Force of Laborers Being Daily Considerably Reduced.**

[FROM A STAFF CORRESPONDENT.]

JOHNSTOWN, June 28.—Cashier Livesy, of the State Treasurer's office, arrived here to-day with about $75,000 to pay off the laborers and workmen in the various departments. The money was issued to the contractors, and they will pay their men to-morrow. The chiefs of the different departments attended to the paying of the men under them.

Retrenchment of the number of men employed has been the order all along the line for some days, and the forces, especially in the department, will be materially reduced after to-morrow.

**The Deaths Not Less Than 4,000.**

[FROM A STAFF CORRESPONDENT.]

JOHNSTOWN, June 28.—The work of registering the flood sufferers ceased this evening. It will be impossible to foot up the totals before noon to-morrow, but Messrs. Storx and Kinkead, in charge of the work, estimate that from 16,000 to 17,000 people have been registered, and neither gentleman thinks the loss of life will be more than 4,000.

**Official Report on the Morgues.**

[FROM A STAFF CORRESPONDENT.]

JOHNSTOWN, June 28.—Chairman Beale, of the Committee on Morgues, to-day made his official report, as follows: Fourth ward, 301 bodies; Presbyterian Church, 92 bodies; Millville and Pennsylvania station, 344; Southside, 143; Cambria City, 575; Morrellville, 238; Nineveh, 248; Dibert's soap factory, 12, making altogether about 2,300 bodies.

**The Golden Stream Yet Running.**

[FROM A STAFF CORRESPONDENT.]

JOHNSTOWN June 28.—The local Finance Committee is still receiving some money. Captain Jones turned in $1,000 to-day, the gift of Carl Wittgenstein, a wealthy iron master of Vienna. In addition to the $200,000 contributed the committee has received $12,000. St. John, New Brunswick, sent $500.

**Abandoning the Commissaries.**

[FROM A STAFF CORRESPONDENT.]

JOHNSTOWN, June 28.—Colonel Spangler is making arrangements to turn the commissaries over to Captain Kuhn on Sunday. The Captain says he will retain the present force of men until he can get along without them.

**Nine Bodies Recovered Yesterday.**

[FROM A STAFF CORRESPONDENT.]

JOHNSTOWN, June 28.—Nine bodies were recovered to-day—Gustave Schmertz, Godfred Hoffman and E. Vincent Wibber were recognized. The others are unknown.

**Will Visit the Dam To-Day.**

[FROM A STAFF CORRESPONDENT.]

JOHNSTOWN, June 28.—The Coroner and his jury expect to visit the scene of the dam to-morrow.

### MAKING UP MONEY LOSSES.

**Some of the Wards Much Less Affected Than Others.**

[FROM A STAFF CORRESPONDENT.]

JOHNSTOWN, June 28.—The Board of Inquiry held down the Seventh ward schoolhouse to-day, and they will meet in the Fifth ward to-morrow. About 69 heads of families reported, and the reports show that no lives were lost, neither was much property destroyed. This ward is up the Stony creek, on high ground. The largest individual loss was placed at $10,450, for Peter Alt & Sons. Other losses were $2,450 and $3,450, but the balance were much smaller amounts.

The local committee, acquainted with the people, estimates the values. The board merely sees that the work is properly done. The question of appeals has not been decided.

### CAUSED A MIGHTY KICK.

**Objections Raised to Giving Lumber to the Liquor Dealers.**

[FROM A STAFF CORRESPONDENT.]

JOHNSTOWN, June 28.—Eleven more of the Chicago houses arrived. They are larger than the others, being 17 by 24 feet, but the committee is yet giving large families a large and small house. The committee on lumber has decided not to issue more than 7,000 feet of lumber to anyone. They have received 24 cars of lumber and shingles, not enough by any means to supply the people. Up to date there have been 180 applications, only 18 of which have been filled.

Some of the committee objected to giving lumber to the liquor men, and the latter class made a mighty kick. The committee then came to the conclusion to make no discriminations, to save all troubles.

PLATT'S Chlorides, the best disinfectant for household uses. Odorless, prompt, cheap.

**English and French Cookery.**

A celebrated French traveler remarked the English have 50 religions and only one sauce. This, no doubt, shows ignorance as to religion, but a great deal of truth as regards the sauce, which, probably, was referred to as the very innocent concoction of a white sauce consisting either of some flour, butter and milk, or some bread and milk, both equally tasteless, and making the despair of foreign travelers in this country who are accustomed to good French sauces. The many American travelers going to the Paris Exhibition at this time will no doubt be struck with the difference between fine French cookery and the somewhat monotonous English cookery, and it may be worth while to ask what is the secret of the well-known success of French cookery. This secret is simply the "stock-pot," a preparation of concentrated meat juices enabling the cook to give to all dishes—soups, sauces and entrees—the fine meat flavor which distinguishes refined cookery from coarse cookery. Many cooks, undoubtedly, know how to prepare stock, but in most cases the quality of such stock is too weak and insipid, and besides, does not keep in anything like warm weather; while, on the contrary, Liebig Company's Extract of Meat, being the finest concentrated meat juice (1 lb. extract equal to 40 lb. best lean meat), keeps for any length of time, and in any temperature, and enables the cook to obtain the highest perfection in French cookery. The warm season coming on, this may be a useful hint to ladies and housekeepers.—Ladies' Pictorial.

### A CLUB CAUSED IT.

**That Arrest of Two Alleged Illegal Voters Due to Organization.**

At a meeting of citizens of the Second ward four days ago a club was formed for the purpose of prosecuting all illegal voting at elections. An organization was formed by the selection of Robert J. Hemingray as Chairman and Frank McGinnis Secretary. Forty-two names were attached to the membership roll. A committee, consisting of Messrs. McAuliffe, McGinness, Lutz, McMurray, Pender and Brisbin, was appointed to prosecute several persons who voted illegally at the election June 18.

It was in accordance with the action of this committee that the information of Thursday was made, as published in yesterday's DISPATCH, against two colored men alleged to be guilty of violating the election laws. The object of the club is to preserve an honest ballot in the Second ward, and every member stands pledged to secure this by every honest effort.

## STARTLING EVIDENCE

**OF THE CURE OF SKIN DISEASES WHEN ALL OTHER METHODS FAIL.**

**Psoriasis 5 Years, Covering Face, Head, and Entire Body With White Scabs. Skin Red, Itchy, and Bleeding. Hair All Gone. Spent Hundreds of Dollars. Pronounced Incurable. Cured by Cuticura Remedies.**

My disease (psoriasis) first broke out on my left cheek, spreading across my nose, and almost covering my face. It ran into my eyes, and the physician was afraid I would lose my eyesight altogether. It spread all over my head, and my hair all fell out, until I was entirely baldheaded; it then broke out on my arms and shoulders, until my arms were just one sore. It covered my entire body, my face, head, and shoulders being the worst. The white scabs fell constantly from my head, shoulders, and arms; the skin would thicken and be red and very itchy, and would crack and bleed if scratched. After spending many hundreds of dollars, I was pronounced incurable. I heard of the CUTICURA REMEDIES, and after using two bottles of CUTICURA RESOLVENT, I could see a change; and after I had taken four bottles, I was almost cured; and when I had used six bottles of CUTICURA RESOLVENT and one box of CUTICURA, and one cake of CUTICURA SOAP, I was cured of the dreadful disease from which I had suffered for five years. I thought the disease would leave a very deep scar, but the CUTICURA REMEDIES cured it without any scars. I cannot express with a pen what I suffered before using the CUTICURA REMEDIES. They saved my life and I feel it my duty to recommend them. My hair is restored as good as ever, and so is my eyesight. I know of a number of different persons who have used the CUTICURA REMEDIES, and all have received great benefit from their use. MRS. ROSA KELLY, Rockwell City, Calhoun Co., Iowa.

## MISS S. LINDENFELSER,

Residing at 3440 Penn avenue, has also been a great sufferer from catarrh. The tenacious secretion that formed in her nose, and which she was unable to discharge, ulcerated into the bones until the walls of her nose fell in, giving it a flattened appearance. In vain she tried to find some doctor that could cure her of catarrh before this ulceration took place, and thus save her from the disfigurement of her nose that she will now have to carry as long as she lives. Her sense of smell also became entirely destroyed. She had much headache, ringing sounds in her ears and dizziness. As some of the mucus that dropped down from her head lodged in the bronchial tubes of her lungs her breath became very short. After becoming cured at the Catarrh and Dyspepsia Institute, at 323 Penn avenue, she says:

"I wish to tell the people that although I have treated with several physicians for catarrh I never found any relief until I commenced treatment with the physicians of the Catarrh and Dyspepsia Institute, and now I am happy to state that after using their treatment I am entirely cured.

"S. LINDENFELSER."

Mrs. Dr. Crossley, one of the Consulting Physicians at the Catarrh and Dyspepsia Institute, No. 323 Penn avenue, will advise with any ladies suffering with diseases peculiar to their sex. Remember, consultation and advice are free to all.

## DOES THE LAW PROTECT?

A number of our patients who have been swindled by traveling doctors, ask why don't the law protect us? We answer: Every doctor will cheerfully show you a receipt given by the Prothonotary bearing the seal of the Court and the date he registered his diploma. Self-called doctors cannot show such a receipt, and traveling doctors may have one of late date. You can also examine Physicians' Register in Prothonotary's office. Ladies don't employ a Mrs. doctor who is not registered if you value health.

We are encouraged by so many of our new patients manifesting their appreciation of our honest effort to protect those who are being misled by a display of false colors. We are an association of regular registered resident physicians of long experience and thorough education, and by combining our skill we offer the sick and the deformed an amount of talent worthy of their patronage.
