THE CLAN-NA-GAEL.

It is Holding Nightly Meetings
With Great Secrecy.

WHAT BOLAND SAYS OF THE CLAN.

He Believes that Cronin was Murdered by
Members of the Society—Alex.
Sullivan's Letter.

KANSAS CITY, June 12.—Nightly meetings
of the Clan-na-Gael have been held for the
past three weeks with the strictest
secrecy.

What Michael Boland Says About Cronin.
KANSAS CITY, June 12.—Michael Boland,
recorder of Kansas city, whose name has
been connected with that of Alexander
Sullivan and other members of the Clan-
na-Gael in connection with the Cronin
murder mystery, expressed the opinion to
a Journal reporter to-night that Cronin
was murdered by members of the Clan-na-
Gael, through some of the more ignorant
members sharing the general belief that
Cronin was a spy, killed him in the mis-
taken idea that they were doing the order
a service.

An Important Message to Sullivan.

CHICAGO, June 12.—About noon to-day
a messenger arrived at the jail and announced
that he wanted to see Alexander Sullivan
on an important business. Sullivan hurried
down from his cell and the messenger
handed him a piece of paper that looked
like a letter. The prisoner read it and
smiled and put it in his pocket. The nature
of the note, which was from the prisoner's
wife, could not be ascertained, but it was
understood that it was a letter dated from
either London or Queensland, and in form
it was that of a woman writing to her
husband by the time this message reached
his hands.

Tom Desmond in Washington.

WASHINGTON, June 12.—Despatches from
Chicago this afternoon state that Tom
Desmond, the Irish Nationalist, and mem-
ber of the Clan-na-Gael society and well
known on the Pacific coast, was wanted
for complicity in the Cronin murder. De-
smond is at present in Washington where
he has been, according to his own state-
ment, since the 21st of May. When shown
the dispatch from Chicago he went im-
mediately to the police station and offered
to surrender himself, but as the officers
would not accept him, he left the station
and he was willing to go to Chicago at
any time.

While in Washington, Desmond has made
no secret of his whereabouts, and has
been seen all the prominent Irishmen in
the city. Desmond says that both he and
McDonald, who was arrested in New York,
were in New York on the day Cronin was
murdered.

Thomas Desmond's Career.
SAN FRANCISCO, June 12.—Thomas De-
smond, mentioned in the dispatches to-day
as being wanted for complicity in the
Cronin murder, is well known here, having
been a prominent figure during the sand
lot agitation. He was the main support of
Desmond's cause, and through the latter's
influence was elected sheriff and served a
full term. Desmond first gained notoriety
in 1897 as one of the crew of the Catalpa,
which was fitted out in England to rescue
prisoners in Australia.

An Irish Nationalist Wanted for Complicity in
the Cronin Murder.

CHICAGO, June 12.—Tom Desmond, an
Irish Nationalist from San Francisco, is
wanted by the police for supposed com-
plicity in the butchery of Dr. Cronin. He
escaped from surveillance in New York
Monday. His residence is at the corner
of Jackson and McCoy's hotel April 10, and it
was there in frequent conference with a
man registered as W. G. McVillie, but who
is believed to be Maroney, now under
arrest in New York.

Chief Hubbard says that Desmond has
been located in San Francisco and that
hands can be laid on him whenever
wanted.

Hubbard received information this after-
noon of the arrest of another suspect at
the south of here. He is said to resemble
Frank Williams, who rented the Carlin-
son cottage.

The Cronin Grand Jury.

CHICAGO, June 12.—The proceedings of
the grand jury in the Cronin inquiry are
regarded with the strictest secrecy. A
number of witnesses were heard to-day,
but none are likely to give sensational evi-
dence.

All the witnesses examined during the
afternoon had previously testified at the
coroner's inquest. They were detectives
Palmer, Dianna's mother, Marjorie, Mrs.
Hartwell's carpet layer, Henry Rusch
who found the trunk key in the cottage. It
was understood that they simply repeated
statements they made at the inquest.
The jury adjourned until 4 p.m. to-morrow.

Subscriptions for Seattle.

CHICAGO, June 12.—Two hundred dollars
in subscriptions for the Seattle sufferers
was received by the mayor to-day.

Bismarck, Ia., in Seattle.

BISMARCK, Ia., June 12.—This city has
sent \$1,000 to the Seattle sufferers.

STATISTICS FROM JOHNSTOWN.

The Total Number of Bodies Recovered—Burn-
ing the Mass at the Stone Bridge.

JOHNSTOWN, June 12.—The report of the
bureau of transportation, which died with
the citizens' relief committee, shows that
from June 4 to the 11th inclusive, 1,392 peo-
ple were given free transportation out of
Johnstown. The bureau of information
answered 287 telegrams and sixty-eight let-
ters, mostly inquiries from anxious friends
as to the safety of Johnstown.

Eight bodies were brought to the morgue
in the Presbyterian church on Main street
to-day. Some were taken out of the ground
immediately surrounding the church. A
party of men at work in the debris came
across the dead bodies of Mrs. Meyer and
her daughter locked in each other's arms.
The total number of bodies received to-day
was nineteen, making the grand total of
bodies recovered 1920.

The mass at the stone bridge was fired
this afternoon and to-night is burning fur-
iously. With it is destroyed all hope of
recovering the bodies that are certainly
there entombed.

Indians Making the Woods Ring.

MINNEAPOLIS, June 12.—A Mora, Minne-
sota, Tribune's special says: Even Nichol-
son arrived here from Mile Laas reser-
vation to-day and reported that Magnuson
had been shot and killed by the Indians last
night, and that three families who had
located there were missing. The settlers
were getting very anxious and are expecting
an attack any minute. The Indians have
been having a dance and have come from
all parts of the reservation, and are drink-
ing heavily and making the woods ring

OF SCOTLAND YARD.

An English Detective Watches
Maroney's Attorney.

HILL DENIES THE REQUISITION

Of Governor Pifer for Maroney and McDonald
Meeting of the Clan-na-Gael Executive
Committee—The Habeas Corpus.

New York, June 12.—The *Post and Ex-*
press this evening says: "A detective from
Scotland yard stood on Chambers street,
west of the county court house, to-day for
over two hours. He had his eye on 291
Broadway, which is the office of David M.
Neuberger, counsel for J. J. Maroney, ac-
cused of complicity in the murder of Dr.
Cronin."

Major Rudolph Fitzpatrick, of 147 West
Sixty-third street, who was adjutant-
general in the Fenian army that invaded
Canada, is one of the men who are willing
to swear that Maroney was in his place
the day that Cronin was murdered. Fitz-
patrick has an English wife who is an
ardent supporter of Irish aspirations. Fitz-
patrick and his wife are relied upon as
two who will help establish an alibi for
Maroney. The attempt to prove the
prisoner's innocence will not stop with the
evidence of Fitzpatrick and wife and E. J.
Lowe, an ex-Clan-na-Gael man.

The executive committee of the Clan-na-
Gael, of United Brotherhood of America,
met last night and decided that Maroney
and McDonald should be kept in New York
if possible by any form of law. The
petitioners desire that in the McDo-
nald case, the same result be reached,
who is on the ocean, was not, of course,
reached. The meeting is said to have been
held in Philadelphia, and those said to be
present were Kosnyak, Tierney, Bradley,
Condon and Leonard. "These men are
anxious about Maroney, because the British
government wants him."

The Perilous of Maroney and McDonald.

New York, June 12.—The petitions upon
which Judge Andrews last evening granted
writs of habeas corpus for the production
in the supreme court of Maroney and Mc-
Donald, the men arrested here for com-
plicity in the Cronin murder, were filed to-
day in the supreme court. The McDo-
nald case was made by Thomas J. Denney and
presented by John Delahanty, and that in
Maroney's case was made by Edward J.
Lowe and presented by D. M. Neuberger.
The petitions describe the men as near
friends and alleged that the men are not
held by legal commitment, and that there
is an entire absence of identification. The
matter will come up for argument to-mor-
row.

The Requisition for Maroney and McDonald
Denied.

ALBANY, N. Y., June 12.—A requisition
was presented to Governor Hill from Gov-
ernor Pifer, of Illinois, for the surrender of
Maroney and McDonald, charged with the
murder of Dr. Cronin. The governor de-
clined the application without prejudice and
without the removal of the same, simply on
the grounds:

1.—That the application was not accom-
panied by an indictment as required by law.
2.—That the proof of the charges was not
showing that the accused are guilty of the
crime charged against them as required by
the laws of this and all other states.

The application was based solely upon an
affidavit made "upon information and be-
lief."

Mrs. Maybrick Committed for Trial.

LIVERPOOL, June 12.—The hearing in
the case of Mrs. Maybrick, who is charged
with poisoning her husband, Michael May-
brick, was committed to-day, and Mrs. May-
brick was committed for trial at the next as-
sises.

wards—Irish won, Ernest Race second,

Hippolyte's Victory Confirmed.

NEW YORK, June 12.—The steamer *Alece*
from Kingston, Jamaica, arrived this morn-
ing and brings intelligence substantiating
the reports of Hippolyte's victory and Legi-
time's defeat. Chief Officer Williams, of
the *Alece*, said that Legitime's outfit, the
protection of the American consul at Port
Prince, Hippolyte's officers have en-
tered Port Prince and taken possession.

Lord Cecil's Body Found.

PICTON, Ont., June 12.—The body of
Lord Cecil was found this afternoon, a few
feet from the shore. Lord Cecil had just
come from Rockville, which place he left
on Tuesday morning accompanied by his
servant.

General Ranger is Prepared to March.

MIXENAPOLIS, June 12.—General Ranger,
the commanding officer at Fort Hager,
has made arrangements to leave at once
for Mora with several companies of regu-
lars immediately upon receiving intelli-
gence of any further trouble.

Johnstown Resuming Business.

JOHNSTOWN, June 12.—To-day was the
second day since the flood that Johnstown
was not deluged with rain, and under the
influence of a bright sun, the sandy soil
was soon drying and things in general
brightened up. A number of stores with
their wares inside and out were started
again and large saids of flooded goods were
elected, being bought chiefly as relics.

The first decisive step towards putting
Johnstown's business men on their feet
again was made to-day when about two-
hundred merchants who had survived the
flood, many of them without a dollar, met
Adjutant General Hastings this afternoon,
and were assured that they would be es-
tablished in business on long credit. Both
Pittsburg and several Philadelphia wholesal-
ers have offered Johnstown merchants their
business courtesy.

BLAINE'S OBJECTIONS IN BERLIN.

Instructions to the American Commissioners
—Gladstone Assailed—The Czars Remark
—Switzerland Advised by the Powers.

BALTIMORE, June 12.—Ex-President
Cleveland, replying to a notification of his
election as an honorary member of the
Maryland Tariff Reform club, writes:
"The objects and purposes of the club, as
set forth in the declaration accompanying
your letter, have my hearty sympathy and
support, and I believe their accomplish-
ment is absolutely essential to the greatest
prosperity of our people and the highest
development of our country. You must,
however, permit me to say that so far as
parties are concerned, my hope and re-
liance for the better condition of things is
upon the Democratic party, an organiza-
tion which, in my opinion, cannot be true
to its traditions and ancient creed without
a hearty and sincere espousal of the cause
to which your club is devoted."

Blaine's Instructions Before the Conference.

BERLIN, June 12.—The American com-
missioners to the Samoan conference have
received their instructions from Blaine in
relation to the protocol drawn up by the
conference. Blaine disagrees with several
provisions of the protocol and is also of
the opinion that England and Germany
have not gone far enough in respect to the
rights conceded to the Samoans.

The conference had a sitting to-day to
receive Blaine's reply. The English and
German commissioners will afterwards
consider Blaine's objections, and a decision
upon what policy they shall pursue, and
upon the attitude which they adopt de-
pends the continuance of the conference.

Judging from what has passed, and es-
pecially the American declarations, the
commissioners have probably a large
amount of work still before them. It is
likely that regular sittings of the confer-
ence will be resumed. There is a material
difference of opinion on various points be-
tween the three powers.

The Czars Very Indiscreet Remark.

VIENNA, June 12.—A Berlin letter in
the *Press* says: "The impression is increas-
ing in Germany that the Czars' remark at
the banquet in St. Petersburg recently,
that the Prince of Montenegro was the sole
cause of the Balkan war, was directed at
Germany as well as Austria."

The letter says that a repetition of such
an incident would banish all hope of main-
taining Blaine's objection, and a decision
strengthening of Russia's armaments on
the western frontier as an indication of
Russia's hostile intentions.

An Attempt on Gladstone's Life.

LONDON, June 12.—While Gladstone was
passing through Waddesbridge, Cornwall,
to-day, a missile, believed to have been a
cartridge, was thrown at the carriage.
Gladstone was not hit.

LATER—The police discredit the story of
the throwing of a cartridge at Gladstone.
If any were thrown, they say the thrower
was guilty of nothing more than perpetrat-
ing a badly conceived practical joke.

Wedded to a Russian Baron.

NEW YORK, June 12.—A fashionable and
very pretty wedding was solemnized yes-
terday afternoon in Christ church, New
Brighton, where Miss Estelle Williams,
daughter of William T. Williams, was
united in marriage to Baron Paul Michael
Serdobin, of St. Petersburg. The cere-
mony was performed by Rev. Archdeacon
George S. Johnson, rector of the church.

The bride was attended by little Miss
Hilda Jurgenson, her cousin, as maid of
honor. The bridesmaids were Miss
Lise and the veil of cream-colored Chan-
tilly lace with wormed trimming for the
court train. She carried a bunch of white
roses. A simple row of pearls about the
neck was her only ornament. The church
was elaborately decorated.

In accordance with the rites of the
Greek church, of which the baron is a
member, another ceremony was performed
at St. Peter's last at the residence of the
bride's uncle, John Jurgenson, 42 West
Thirty-fifth street, by Archimede Koune-
as, of the diocese of San Francisco, there
being no church of that order here. The
happy pair will sail for Europe Saturday.
No reception followed the ceremony, owing
to the illness of the bride's father.
